

Waikiki Life

1| The Hawai'i Lodging & Tourism Association's 41st Annual Visitor Industry Charity Walk generated a record \$2.66 million statewide which benefited scores of charities across the state. Oahu's walk alone raised a \$510,000, and our **WCC Ohana** really stepped up to help us raise more money this year!

Non-profit recipients of the monies raised are selected based on their performance, how much money they raised for the charity walk and their participation in the event. We're sending our a **BIG MAHALO** to our wonderful **WCC members & donors** for your contributions! We look forward to next year's Charity Walk and cannot wait to recruit walkers again for 2020.

Mahalo to HLTA president and CEO, Mufi Hannemann, for coming down to WCC to present our \$7,000 check to us! Photo top right: HLTA President and CEO Mufi Hannemann, WCC Hula students with Kumu Nalani Keale and WCC President, Caroline Hayashi.
